Dear Parents,

On this WIP (Work in Progress) you will see what we will be working on in class and what you can do at home to help your student. At the end of the unit, students will take an assessment with the teacher to assess their knowledge of the material covered.

This piece of paper will be our main communication tool between home and school. Your student will evaluate their performance at the end of each class on the behavior chart below using smiles and frowns. Please discuss their participation at home with them after each English class.

If you have any questions or concerns please contact me at t.taylor@upwordenglish.cz

At the end of the unit, your child will be able to...

1. I can use numbers 11-20.
